INFORMATION

At approximately 1557 hours on 2-17-04 the Ingham County Sheriff's Office responded to Dexter Tr. near Diamond Rd. for a two-car fatal accident.

At the time of the accident, the suspect, who was later identified as ANTHONY SMITH, was driving a stolen 2004 Nissan Maxima eastbound on Dexter Tr.

ANTHONY SMITH attempted to pass another vehicle in a double yellow line no passing zone. While ANTHONY SMITH was passing the vehicle in the double yellow line no passing zone, his vehicle struck a vehicle that was being driven by the victim, EDWARD HENDGES, head-on. At the time of the accident, EDWARD HENDGES was traveling westbound on Dexter Tr.

EDWARD HENDGES was pronounced dead at the scene. KEVIN HENDGES, a passenger in EDWARD HENDGES' vehicle, was transported to Sparrow Hospital by Lansing-Mason Area Ambulance Service for his serious injuries. ANTHONY SMITH received minor injuries and was transported to Sparrow Hospital by an ambulance from Lansing-Mason Area Ambulance Service.

VENUE

This incident occurred on Dexter Tr. near Diamond Rd., Township of Vevay, County of Ingham, State of Michigan.

TIME AND DATE

This incident occurred at approximately 1557 hours on Tuesday, 2-17-04.

DISPATCH INFORMATION

At approximately 1557 hours on 2-17-04 Ingham County Central Dispatch put out a request for police to respond to Dexter Tr. near Diamond Rd. for a two-car personal injury accident.

DEPUTY STEVE MCGUIRE and DEPUTY TIM YOUNG were the first Ingham County units to respond to the accident. DEPUTY MCGUIRE was the first unit to arrive on-scene. Shortly after arriving on-scene, DEPUTY MCGUIRE advised Dispatch that one driver was listed as a "K" and two other subjects were seriously injured. At the same time, DEPUTY MCGUIRE requested that a Traffic Accident Investigator be sent to his

location. LT. COOK then contacted me and requested my assistance at Dexter Tr. near Diamond Rd.

ARRIVAL ON-SCENE

Shortly after DEPUTY MCGUIRE requested that an Accident Investigator come to his location, I arrived on-scene. By the time I arrived on-scene, the injured passenger who was later identified as KEVIN HENDGES, and the injured driver of the suspect vehicle, ANTHONY SMITH, had already been transported to Sparrow Hospital by ambulances from Lansing-Mason Area Ambulance Service.

When I arrived on-scene, I noticed a burgundy-colored vehicle that was later identified as a stolen 2004 Nissan Maxima, sitting in the middle of the roadway of Dexter Tr. The vehicle was facing southbound in the middle of the roadway.

I also observed a gray Chevrolet Lumina, which I was able to determine was the vehicle that had been traveling westbound on Dexter Tr. driven by EDWARD HENDGES, on the north side of the road. This vehicle was completely off the roadway and was facing southbound.

I also observed numerous yaw marks which I was able to determine had been left by the 2004 Nissan Maxima that had been driven by ANTHONY SMITH. I was able to determine this because the yaw marks were from a vehicle that had been traveling eastbound on Dexter Tr. and the yaw marks eventually ended at the point of impact. From where the point of impact was, I was able to see a very large quantity of a debris field from the vehicles.

I also observed a yellow blanket covering a body in the gray Chevrolet Lumina which was later identified as EDWARD HENDGES.

At this time I requested that two more Traffic Accident Investigators come to my location. A short time later DEPUTY TRYON CALKINS and DEPUTY JODY MICHELS arrived on-scene to assist me with the accident investigation.

PHOTOGRAPHS

While on-scene, I took two rolls of photographs of the accident scene. These photographs show the yaw marks, the point of impact, the resting point of both vehicles, gouges left on the roadway and the debris field.

ROADWAY COMPOSITION

The roadway composition where the accident occurred was asphalt. The markings on the roadway were the double yellow line no passing zone. The shoulder of the roadway was also asphalt. The roadway is also curved and hilly near the location of the accident.

MEASUREMENTS

I took the following measurements of the accident scene. The reference point was a survey marker located almost in the middle of the roadway. The survey marker was located east of 863 Dexter Tr. This survey marker was used because the accident occurred almost in front of 863 Dexter Tr.

Measurement A was the cord measurement of the yaw marks left by ANTHONY SMITH's vehicle. This measurement was 66 feet long.

Measurement B was the middle ornament measurement. This measurement was 1.7 feet.

Measurement C was the point of impact. From the reference point, it was 46 feet west and 8.2 feet north.

Measurement D was the end of the gouge left from the point of impact. From the reference point it was 45.2 feet west and 9.1 feet north.

Measurement E was the front passenger's side tire of Vehicle #1. From the reference point it was 57.2 feet west and 25.5 feet north.

Measurement F was the rear passenger's side tire from Vehicle #1. It was 63.5 feet west and 32.0 feet north.

Measurement G was the front passenger's side tire of Vehicle #2. It was .3 feet east and 1.0 foot north.

Measurement H was the right front passenger's side tire of Vehicle #2. It was 0 feet west and 9.9 feet north.

Measurement I was the front driver's side tire of Vehicle #2. It was 6.0 west and 0 feet north.

Measurement J was the right driver's side tire of Vehicle #2. It was 6.0 west and 10.2 feet north.

AMBULANCE SERVICE ON-SCENE

Ambulances from the Lansing-Mason Area Ambulance Service arrived on-scene and transported two patients to Sparrow Hospital for their injuries and transported EDWARD HENDGES to the morgue at Sparrow Hospital.

ACCIDENT RESULTS

Based on my investigation of the accident MR SMITH was at fault for the accident. The reason for this finding was due to the statements taken from witnesses of the accident by Dep Tim Young.

My investigation also showed that MR. SMITH was passing a vehicle in a posted and marked double yellow line NO PASSING ZONE. While attempting this pass illegally MR. SMITH hit MR. HENDGES'S vehicle head on. If MR. SMITH did not attempt the illegal pass in the no passing zone this accident would not have happened.

DISPOSITION

This report will be kept on file at the Central Records Division of the Ingham County Sheriff's Office.

A copy of this report will be sent to the Ingham County Prosecutor's Office for review of future charges.

STATUS

INFORMATION

On 02/23/04 I received information from DEPUTY PAUL WORSLEY supplemental report that resulted in an execution of a search warrant at 664/665 W. Dexter Trail. At approximately 1356 hours I arrived at the Ingham County Prosecutors Office in order to obtain the search warrant. At 1700 hours I arrived at 664 and 665 W. Dexter Trail to execute the search warrant. A Sony PlayStation 2 system along with a Sony PlayStation 2 game by the name of True Crime: Streets of L.A. were seized as evidence.

VENUE

This incident occurred at 664/665 W. Dexter Trail, Township of VeVay, County of Ingham, State of Michigan.

DATE AND TIME

The search warrant was executed at 1700 hours on February 23, 2004.

OFFICERS ACTIONS

On February 23, 2004 I received information from DEPUTY PAUL WORSLEY that he had written a supplement to my original complaint stating that ANTHONY SMITH was at 664 W. Dexter Trail playing a video game prior to the accident. After reading DEPUTY PAUL WORSLEY's supplemental report I then contacted MR. STEWART DUNNINGS at the Ingham County Prosecutors Office and advised him of the new information. I also advised MR. DUNNINGS that the video game in question was a Sony PlayStation 2 with the game of Grand Theft Auto. At that time I advised MR. DUNNINGS that I was going to go to 664/665 W. Dexter Trail in order to determine if I could obtain the PlayStation 2 system along with the game without a search warrant.

At 1300 hours I went to 664/665 W. Dexter Trail in order to determine if I could retrieve the PlayStation 2 system along with the game without a search warrant. While at the residence I later determined that no one was home. At this time I returned back to the Ingham County Sheriff's Office in order to contact the Ingham County Prosecutors Office with the results.

At 1356 hours I then went to the Ingham County Prosecutors Office in order to obtain a search warrant of 664/665 W. Dexter Trail. The reason for the search warrant was described in detail in the search warrant affidavit. While at the Ingham County Prosecutors Office obtaining the search warrant, I was then contacted by DEPUTY TIMOTHY O'NEILL who stated that the homeowner TAMARA SHERLIN had arrived at the residence.

Per the Ingham County Prosecutors Office TONY FLORES, he did not want TEMARA SHERLIN to enter the residence and I advised DEPUTY TIMOTHY O'NEILL that we would

obtain the search warrant in order to secure the items we needed. At that time DEPUTY TIMOTHY O'NEILL stated that TEMARA SHERLIN agreed to wait until I arrived on scene with the search warrant and she would voluntarily unlock the door so that we could enter the residence. Dep O'NEILL also stated that MS. SHERLIN did confirm that the Sony Play Station 2 system was in her residence.

After obtaining the search warrant I then went to the 55th District Court and had MAGISTRATE PAUL sign the complaint/search warrant. At approximately 1700 hours I arrived at 664/665 W. Dexter Trail to execute the search warrant. DEPUTY TIMOTHY O'NEILL introduced me to TEMARA SHERLIN and advised me that she was the homeowner along with her friend CRAIG JABKIEWICZ.

TEMARA SHERLIN stated that on the date and time of the fatal car accident involving ANTHONY SMITH they were not playing Grand Theft Auto prior to the accident. TEMARA SHERLIN stated MR. SMITH was playing a video game by the name of True Crime Streets of LA. I asked TEMARA SHERLIN how she knew this. TEMARA SHERLIN stated she was at home at the time he and others were playing the game and it still was currently in the Sony PlayStation 2 system.

I asked TEMARA SHERLIN if she knew why ANTHONY SMITH had left the residence. TEMARA SHERLIN stated that she did not know that ANTHONY SMITH had left the residence until she received a phone call from him stating that he was in an accident. TEMARA SHERLIN stated that she was only aware of him playing the video game up to her receiving the phone call from ANTHONY SMITH saying that he was involved in an accident. INTERVIEW WITH WITNESS

I asked CRAIG JABKIEWICZ if he was at the residence on February 17, 2004 prior to the accident. At this time he stated "yes." I asked CRAIG JABKIEWICZ if he knew what game ANTHONY SMITH was playing prior to the accident. CRAIG JABKIEWICZ stated he told ANTHONY SMITH that the Nissan Maxima had a "really neat shifting system" and he told ANTHONY SMITH about how the car shifted from manual to automatic. CRAIG JABKIEWICZ went on to state that he told ANTHONY SMITH to "check out the gears." CRAIG JABKIEWICZ also stated that ANTHONY SMITH had asked him if he wanted to go for a ride in the car and CRAIG JABKIEWICZ stated no. At that time CRAIG JABKIEWICZ advised that ANTHONY SMITH stated "I'm going to check out the gears then."

INFORMATION

On 2-27-04 I went to Dexter Trl. near Diamond Rd in order to take several more measurements of the accident along with obtaining the drag factor of the roadway.

VENUE

This incident occurred on Dexter Trail, near Diamond Rd, Township of Vevay, County of Ingham, State of Michigan.

DATE AND TIME

The follow up investigation was completed on 2-27-04 at 1300hrs.

OFFICERS ACTIONS

On February 27, 2004 I went to Dexter Trl near Diamond Rd in order to obtain the following measurements of the accident. and to obtain the drag factor of the roadway.

ADDITIONAL MEASUREMENTS

Measurement 1) End of driver's side front tire yaw mark. 43 ft west and 6.7 ft north.

Measurement 2) End of passenger's side rear tire yaw mark. 49.2 ft west and 1.5 ft north.

Measurement 3) End of driver's side rear tire yaw mark. 52.8 ft west and 5.2 ft north.

Measurement 4) Middle point of driver's side rear tire yaw mark. 95.8 ft west.

Measurement 5) Middle point of driver's side front tire yaw mark. 95.8 ft west and 2.6 ft north.

Measurement 6) Middle point of passenger's side front tire yaw mark. 95.8 ft west and 2.4 ft south.

Measurement 7) Middle point of passenger's side rear tire yaw mark. 95.8 ft west and 5.1 ft south.

Measurement 8) Beginning of driver's side rear tire yaw mark. 137.9 ft west.

COMPLAINT NO: 04-C-2538
FILE CLASS: 9300-1
ORIGINAL DATE: 02/27/04
SUPP. DATE:

Measurement 9) Beginning of passenger's side rear tire yaw mark. 194.1ft west and 3.8ft south.

From the beginning of the NO PASSING zone to the point of impact was .7 tenths of a mile. This means that MR. SMITH'S vehicle was over a half mile into the double yellow line posted NO PASSING ZONE at the time he choose to pass illegally.

DRAG FACTOR

On 2-27-04, I completed three test using a VC-2000 drag factor computer to determine the drag factor of the roadway near the accident. List below are the test results taken off of the computer at the time of testing.

Test 1) 30.6 MPH, 1.67 seconds, 41 ft, drag factor .744.

Test 2) 30.5 MPH, 1.87 seconds, 41 ft, drag factor .743.

Test 3) 30.5 MPH, 1.84 seconds, 41 ft, drag factor .743.

SPEED RESULTS

I used the following formulas to determine MR. SMITH'S speed prior to the accident.

$R = C^2 / 8M + M / 2$

C is the cord taken the day of the accident M is the middle ordinate taken the day of the accident.

C=66ft

M=1.7ft

With the numbers listed above the formula used is as follows.

$R = 66^2 / 8 * 1.7 + 1.7 / 2$

$R = 4356 / 13.6 + .85$

$R = 320.29 + .85$

$R = 321.14$

COMPLAINT NO: 04-C-2538

FILE CLASS: 9300-1

ORIGINAL DATE: 02/27/04

SUPP. DATE:

Once the radius is calculated the following formula was used to determine the speed.

$S = 3.87 \text{ times the square root of } RF$

$R = \text{the radius (321.14) and } F = \text{the drag factor (.74)}$

$S = 3.87 * \text{the square root of } 321.14 * .74$

$S = 3.87 * \text{the square root of } 237.64$

$S = 3.87 * 15.41$

$S = 59.65 \text{ MPH}$

---	---------------------------------	----------

Police Agency Ingham County Sheriff Dept
Report Number: 04-C-2538

Your Affiant Dep. Deputy Mark O' Farrell state(s) that:

1. The person, place or thing to be searched is described as and is located at:

664 W. Dexter Trail, Mason MI 48854, more specifically described as a two story residential house located on the north side of W Dexter Trail, with garages attached and detached. This house had two addresses a 664 W. Dexter Trail on the front of the house and a 665 address located in the back of the house. Two mail boxes are found in the front of the house.

2. The PROPERTY to be searched for and seized, if found, is specifically described as:

Evidence concerning vehicular manslaughter and felony driving including but not limited to a Sony Play Station System and a Sony Play Station Video Game by the name of "Grand Theft Auto."

3. The FACTS establishing probable cause or the grounds for the search are:

A. Dep. Mark O'Farrell, hereafter affiant, is employed as a Deputy with the Ingham County Sheriff's Department for 4 ½ years and is currently to the traffic division (accident reconstruction) and canine division.

B. Affiant says that he has been assigned to investigate a vehicular homicide case which occurred on February 17, 2004.

C. In regard to the above assignment your Affiant did the following:

1. On February 17, 2004 at 3:57 pm, your affiant responded to a personal injury accident on Dexter and Diamond Road, Vevay Township, Ingham County.
2. Further investigation on that date found that Anthony Smith (DOB 12/28/1984) was driving 2004 Nissan stolen pursuant to information received in lien from Spring Arbor Township Police Department.
3. Pursuant to your affiant's reconstruction of the accident and after interviewing Ida Joyce Merindorf a witness of the accident your affiant had determined that Anthony Smith while driving a 2004 Nissan was attempting to pass in a double yellow line no passing zone when Anthony Smith collided with a 1993 Chevrolet Lumina driven by Edward Joseph Hendges with passenger Kevin Patrick Hendges.
4. In the ensuing collision caused by Anthony Smith the driver of the Chevrolet Lumina Edward Joseph Hedges was killed and the passenger Kevin Patrick Hendges received life threatening injuries.
5. Spring Arbor Police Department through LIEN indicates the 2004 Nissan was reported stolen on February 13, 2004. A warrant was authorized for the arrest of Brandon Taylor concerning the stolen 2004 Nissan.
6. Pursuant to further investigation your affiant received information from Deputy Paul Worsley who interviewed a subject by the name of Jeramy Monroe (DOB 9-26-1980) on 2-19-04. The interview of Jeramy Monroe was conducted by Deputy Paul Worsley and Spring Arbor Police Officers Sue Adams and Joe Lentz. The interview was conducted in following up the investigation to arrest Brandon Taylor on the stolen vehicle warrant.

7. Jeramy Monroe resides at 664 W. Dexter Trail, Mason, MI and stated that he knows Brandon Taylor as "sent." Monroe stated that Brandon Taylor, Anthony Smith and Tamara Sherlin were at his residence on February 17, 2004 prior to the accident. Monroe stated both Anthony Smith and Brandon Taylor were playing a video game "Grand Theft Auto" on his Play Station prior to the accident.
8. Monroe stated Anthony Smith and Brandon Taylor were both bragging about driving recklessly on the roads and never getting caught by the police. Anthony Smith stated he drives just like they do on the video games and both of them were playing the game "for hours" before the accident. Monroe stated that Brandon Taylor told Anthony Smith that the car he was driving belonged to hi ex-girlfriend and had a passing gear just like the car they were driving in the video game and the car was very fast and he should try it.
9. Jeramy Monroe stated Anthony Smith then left the residence in Brandon Taylor's vehicle (later found stolen). He then took off on Dexter Trail. Jeramy Monroe stated before he left the house, Anthony stated he was going to "drive crazy just like the video game."
10. On February 23, 2004, while the Ingham County Sheriff's Department was in the process of obtaining a search warrant contact was made with Tamara Sherlin a resident of 665 W. Dexter Trail, Mason, Michigan. Tamara indicated to Deputy Tim O'Neil that the video game deputies were looking for is currently located in the 665 address section of the house. The house having two addresses in the one residence a 664 W. Dexter address inhabited by Jeramy Monroe and a 665 address inhabited by Tamara Sherlin. Tamara Sherlin indicates the video game "Grand Theft Auto" is located in her 665 section of the house.

D. Wherefore your affiant has probable cause to believe that a search of "1" above will find evidence concerning the evidence stated in "2" above.
This affidavit consists of 2 pages.

SUPP. DATE:

I was advised by JERAMY MONROE a female by the name of TAMARA SHERLIN also resides in the residence and she was friends with the gentleman we were looking for. He stated he also has a street name of "Cent." MONROE stated that is all he knew about him. Officer Sue Adams showed a picture to JERAMY MONROE and asked if this was the man they referred to as "Cent." MONROE stated he was the person we were looking for and he was indeed at that residence of the day of the accident, 2-17-04. MONROE stated BRANDON TAYLOR was friends with the suspect that was arrested for manslaughter, ANTHONY SMITH. MONROE stated both parties were at their residence on 2-17-04 and TAMARA SHERLIN invited them over. MONROE stated both ANTHONY SMITH and BRANDON TAYLOR were playing Play Station, a game by the name of Grand Theft Auto prior to the accident.

MONROE stated ANTHONY and BRANDON were both bragging about driving recklessly on the roads and never getting caught by the police. He stated he drives just like they do in the video games. MONROE stated they played the game "for hours" before the accident. I asked MONROE if BRANDON or ANTHONY were drinking alcohol or doing drugs. He stated he did not know. MONROE stated BRANDON told ANTHONY that the car he was driving belonged to his ex-girlfriend and had a passing gear just like the car they were driving in the video game and the car was very fast and he should try it. JERAMY MONROE stated ANTHONY then left the residence in BRANDON TAYLOR'S vehicle (later found out was stolen). He then took off on Dexter Trail. JERAMY MONROE stated before he left the house, ANTHONY stated he was going to "drive crazy just like the video game."

I asked JERAMY MONROE what the video games entailed and what the video games theme was. JERAMY MONROE stated "in the game you get points for driving crazy and killing people." JERAMY MONROE stated they were playing the game all day and they have all been over before and they always play that game.

JERAMY stated shortly after BRANDON left, they received a phone call at the house from ANTHONY SMITH stating he was in an accident and to come get him. He stated TAMARA and BRANDON then left the house and went to the scene. He stated after that, TAMARA and BRANDON returned to the home and stated "ANTHONY was arrested and he was in shit ton of trouble." I asked JERAMY if he knew ANTHONY or BRANDON, he stated he did not know of them, he only knew of BRANDON being called "Cent." He did not know his real name until we showed him a picture and provided him with the information. He stated he believes BRANDON is a friend of TAMARA'S and he never saw ANTHONY there before but has heard he has been over there once or twice. He stated he is not familiar with either subjects and he has not hung out with them prior to the date.

We asked JERAMY MONROE when the last time he saw BRANDON TAYLOR, he stated the last time he knew BRANDON was over at the house was on 2-17-04 prior to the accident. JERAMY MONROE did provide us with TAMARA'S phone number and stated she is never around the house and only comes around every now and then. He stated she shows up every couple of weeks with her daughter and they stay the night. He stated he is unclear where she stays the rest of the time. JERAMY stated TAMARA is his cousin and she is purchasing the house on a land contract and they were paying her rent to stay there. JERAMY MONROE

stated he and his girlfriend would be moving out of the house within the next few weeks.

ADDITIONAL INFORMATION:

I received a phone call at the Sheriff's Office from TAMARA SHERLIN at approximately 2100 hours on 2-19-04. I spoke to her over the phone. She stated she was in Detroit getting her hair done and she could not talk to me tonight, but she was very upset that we were at her housing searching it. I explained to her that I could be more than happy to explain the circumstances of the search and also advised we received permission to search the premises from JERAMY MONROE. She stated JERAMY called her after we left and told her we searched the house and she was upset because of the phone call. She stated she did not know why we would search her house. I asked her if she knew ANTHONY SMITH, she stated "I knew that was what you were calling for." I told her again I would like to talk to her in person and I would not discuss this case over the phone. I told her she could come to the Sheriff's Office or I could meet her at her residence. She stated she would talk to me on 2-20-04 at 1700 hours at the Ingham County Sheriff's Office in Mason. She never showed.

I was handed a copy of a felony warrant for BRANDON JAMES TAYLOR from Officer Sue Adams of Spring Arbor Township Police Department. The warrant was authorized on 2-19-04 and was not placed into LEIN per Office Adams. I advised Office Adams, I would be looking for BRANDON TAYLOR and if I found him, I would call her immediately. She stated her victim in the stolen vehicle report is an ex-girlfriend of BRANDON TAYLOR. The car belongs to Enterprise Rental Agency and is 2004 Nissan Maxima. She stated the car was rented by a female named, AMBER SCHOLL. She stated BRANDON TAYLOR does not have permission to have the vehicle.

DISPOSITION:

A copy of the report will remain on file at the Ingham County Sheriff's Office/Central Records Division. A copy of this report will also be turned over to Deputy O'Farrell for his follow up. I will include the copy of the felony warrant for BRANDON TAYLOR.

It should be noted that JENNIFER HAYDEN is currently incarcerated at the Jackson County Jail.

I advised JENNIFER HAYDEN that I wished to talk to her in reference to a statement that was made to her and that before doing so I would have to read the Ingham County Sheriff's Office Advise of Rights to her. I read the Advise of Rights to JENNIFER HAYDEN and she said that she understood all of her rights and that she wished to make a statement to me.

JENNIFER HAYDEN said at approximately 1730 hours she and her boyfriend, ADAM SCHOLL, who is AMBER SCHOLL's Brother, went to AMBER SCHOLL's residence the day after the fatal accident occurred. JENNIFER HAYDEN said BRANDON TAYLOR was at the residence at that time.

JENNIFER HAYDEN said upon entering the residence she asked BRANDON TAYLOR, was that you in the paper, referring to the accident, at which time BRANDON TAYLOR said, hell yeah that was me and laughed about it. JENNIFER HAYDEN said BRANDON TAYLOR then said that he was gonna have someone wreck her car but the plan wasn't to hit someone head-on, it was just to crash the car.

JENNIFER HAYDEN said at that time she made the statement, you must have good friends that really care for you to crash a car at which time BRANDON TAYLOR said, it's all about the money, as long as you have money anyone will do anything for you. JENNIFER HAYDEN said she then told BRANDON TAYLOR, so you paid that guy to crash your car and BRANDON TAYLOR said yes.

JENNIFER HAYDEN said BRANDON TAYLOR then said, I've got to get out of here, and he then got into a black vehicle and left the area.
